Voting Information

- As an affiliate of TAEYC, Appalachian Association for the Education of Young Children (AAEYC) is asked by TAEYC to notify you, the members, of any operational changes to our affiliate. Therefore, we have included the suggested by-law amendments with this newsletter. These changes need to be approved by the members of AAEYC, so please cast your vote! There are three options available...you can submit the ballot via mail addressed to AAEYC (located on reverse side) or at the ETSU Early Childhood Conference during the membership meeting or in the ballot box located at the AAEYC Table.

AAEYC will be hosting a table at the ETSU Conference located near the Silent Auction Area.

We will include information regarding the by-law changes and approval, as well as information about our three candidates.
